1. Qualitative Information Concerning the Results of Operations for the First Half of the Current Fiscal Year

(1) Consolidated Performance

Consolidated results for the first half of fiscal 2023 (January 1, 2023–June 30, 2023) are as follows. Net sales amounted to ¥192,887 million, a year-on-year increase of 4.2% (or a 2.2% increase at constant currency excluding exchange rate fluctuations). Core operating income came to ¥6,363 million, down 30.0% compared with the previous fiscal year, and operating profit to ¥6,244 million, down 56.2% year on year. Profit for the period attributable to owners of the parent totaled ¥4,298 million, down 61.1% compared with the previous fiscal year.

The Lion Group is advancing initiatives based on three growth strategies under Vision2030 1st STAGE, its medium-term management plan for the three years beginning 2022. These three strategies are “Accelerate growth in four fields of value creation,” “Transform our business foundations for growth” and “Generate dynamism to realize innovative change.”

In its domestic operations, Lion introduced new high-value-added fabric softeners and toothbrushes while cultivating mainstay brands. In its overseas operations, in addition to efforts to expand its business in the personal care field, which includes oral care and beauty care products, the Group invested in a healthcare company in Vietnam, aiming to create new foundations for growth.

Oral Care Products

This product segment consists of toothpastes, toothbrushes, dental rinses and other related products.

In toothpastes, although sales of *NONIO Plus Whitening Toothpaste* and *CLINICA ADVANTAGE Toothpaste* were strong, due in part to revisions to sales promotions for some brands, overall sales decreased slightly year on year.

In toothbrushes, the new *LION "Electric Assist" Brush* received favorable customer reviews, and overall sales increased year on year.

In dental rinses, sales of *NONIO Mouthwash* were down year on year, and overall sales decreased year on year.

As a result of the above, overall sales of Oral Care Products increased 2.4% year on year.

Beauty Care Products

This product segment consists of hand soaps, body washes, antiperspirants and deodorants and other related products.

In hand soaps, due to market contraction, overall sales decreased year on year.

In body washes, sales of *hadakara Body Soap Foam* were favorable, but sales of the liquid version were lower year on year. As a result, overall sales declined slightly.

Overall sales of Beauty Care Products decreased 5.0% year on year.

Fabric Care Products

This product segment consists of fabric softeners, laundry detergents and other related products.

In fabric softeners, sales of *SOFLAN Premium Deodorizer* decreased year on year. However, due in part to the launch of new *SOFLAN Airis*, overall sales increased significantly year on year.

In laundry detergents, due to a year-on-year decline in sales of the highly concentrated liquid laundry detergent *TOP SUPER NANOX For Odors* and the discontinuation of sales of some powdered detergents, overall sales decreased year on year.

Overall sales of Fabric Care Products increased 3.2% year on year.

Living Care Products

This product segment consists of household cleaners, dishwashing detergents and other related products.

In household cleaners, sales of *LOOK Plus Bath Cleansing* and other products decreased year on year. Overall sales declined year on year.

In dishwashing detergents, sales of *CHARMY Crysta* for dishwashers were steady, but sales of *CHARMY Magica* were sluggish, and overall sales declined slightly year on year.

Overall sales of Living Care Products decreased 5.1% year on year.

Pharmaceutical Products

This product segment consists of antipyretic analgesics, eye drops, acne medicines and other related products.

In antipyretic analgesics, sales of *BUFFERIN PREMIUM DX* were strong, but sales of *BUFFERIN PREMIUM* and *BUFFERIN A* declined year on year. Overall sales decreased year on year.

In eye drops, sales of the *Smile 40 GOLD* series were strong, and overall sales increased year on year.

In acne medicines, sales of *PAIR® Acne Cream W* were strong, and overall sales were up substantially year on year.

In cooling gel sheets for feet, due to a recovery in demand from inbound visitors to Japan, sales were up substantially year on year.

Overall sales of Pharmaceutical Products increased 6.5% year on year.

Other Products

This product segment consists of pet supplies, gifts and novelty products, products sold through dental clinics and other related products.

In pet supplies, sales of oral care products were strong, and sales of *Nioi wo Toru Suna (Deodorizing Cat Litter)* were steady. Overall sales increased year on year.

In gifts and novelty products, sales of novelty products were firm, and overall sales increased year on year.

Overall sales of Other Products increased 7.1% year on year.

Industrial Products Business

The Industrial Products Business segment includes the Mobility, Electronics and Detergents for Institutional Use Products fields. These businesses handle products that include anti-sticking agents for tires, electro-conductive carbon for secondary batteries, and detergents for institutional and kitchen use, respectively. Segment net sales increased 4.8% year on year. Segment profit increased 8.1%.

Segment Information

(1) Overview of reportable segments

The Group's reportable segments are component units of the Company for which separate financial information is available and that are subject to regular review by the Board of Directors for the purpose of making decisions regarding the allocation of management resources and evaluating business performance.

The Group's business divisions are organized by product category; each business division formulates a comprehensive strategy and carries out business activities for the products it handles. Affiliated companies in Japan undertake business activities pertinent to the characteristics of their respective products and services.

Affiliated companies located overseas are independent management units that conduct business activities pertinent to the characteristics of the regions in which they operate.

Accordingly, the Group comprises three reportable segments divided by product and service type and by region, which are, in turn, based on business divisions and companies; namely, the reportable segments are Consumer Products Business, Industrial Products Business and Overseas Business.

The Group's reportable segments are as follows.

A. Consumer Products Business

The Consumer Products Business engages in the manufacture and sale of commodities, over-the-counter drugs and foods with function claims, primarily in Japan.

Main products: Toothpastes, toothbrushes, hand soaps, antipyretic analgesics, eye drops, health tonic drinks, laundry detergents, dishwashing detergents, fabric softeners, household cleaners, bleaches and pet supplies

B. Industrial Products Business

The Industrial Products Business engages primarily in the manufacture and sale of chemical raw materials, industrial products and other items in Japan and overseas.

Main products: Activators, electro-conductive carbon and detergents for institutional use

C. Overseas Business

The Overseas Business engages mainly in the manufacture and sale of commodities by affiliated overseas businesses.

D. Other Business

Lion subsidiaries located in Japan primarily undertake operations related to Group businesses.

Main products and services: Construction contracting, real estate management and temporary staffing
